

INDIA CONSTRUCTION SAFETY EQUIPMENT BUSINESS ROUNDTABLE

Monday April 3, 2017

12:00 PM – 4:00 PM EST

**USTDA Business Center
1000 Wilson Blvd. 15th Fl.
Arlington, VA 22209**

The U.S. Trade and Development Agency is hosting the India Construction Safety Equipment Reverse Trade Mission. As India builds new infrastructure, particularly in its 100 smart cities, U.S. companies will have the opportunity to get involved. To facilitate these opportunities, USTDA will host a half-day Business Roundtable for U.S. companies to meet with representatives of India's construction industry.

Participating in the Business Roundtable:

- Informs your business about the needs and goals of India's construction industry
- Connects U.S. businesses with key decision makers and potential buyers
- Provides details on potential business opportunities
- Allows you to meet one-on-one with key officials from India's construction sector and U.S. government representatives

Topics of Discussion Will Feature:

- Upcoming project opportunities
- Plans for construction projects in India
- Construction safety standards and best practices
